## BRENDAN MON TANNER ROVING MAGIC

**Close up Magicians performing table to table magic with coins, comedy and audience participation.**

Extremely Comedic, fast pace, interactive, motivating and most of all entertaining. Sleight of hand magic, hilarious audience interaction that will have your guests laughing and amazed. The number of tables and the time the magician spends at each table, determines how many performers you require and for how long they are required.

A great bonus to any type of event

**ROVING MAGICIANS** Moving from group to group for Weddings, conferences, cocktails and all special events.

A nice icebreaker for any type of event. A roving Magician performing card tricks, coin tricks

and plenty interaction with fun and laughter with your guests Walkaround magic - roving magic is great for warming up

the guests at a cocktail hour or before they enter the dining room or even entertaining groups at a trade show People love close up magic because it takes place right before their very eyes and sometimes even in their hands
